HAZELWOOD**

Dear Resident:

This letter is to inform of recent events in the City of Hazelwood and to let you know you that the City of Hazelwood has a referendum question on the August 4 ballot to increase the current ¼-cent sales tax for fire purposes to a ½-cent. My goal is to briefly inform you about that issue. We encourage you to visit the City's website, www.hazelwoodmo.org/FireService to learn more about this important initiative.

Budget Update

You may have heard that the City has been having financial problems. That is true. In fact, the City has had a significant budget shortfall for a number of years. The projected deficit for the prior fiscal year that just ended is \$2.2 million. The deficit for the current fiscal year is projected to be an additional \$4.5 million.

And Hazelwood, like many other communities, has also experienced substantial revenue shortfalls because of decreased economic activity due to the Coronavirus pandemic.

But we have taken steps to maintain essential services. The City recently made many budget cuts, including closing Civic Center East, eliminating leaf collection in the fall and limb collection in the spring, many popular park programs, and reducing street maintenance and snow plowing. The City has also eliminated 10 administrative jobs and 15% of all administrative expenditures. So far, the City has been able to avoid cuts to Police and Fire.

Fire Sales Tax

What is the fire sales tax?

- It is a sales tax that, by State law, only be used to pay for any fire costs in Hazelwood.

Where is the sales tax levied?

- It applies to all sales that occur in Hazelwood.

How much will it generate?

- The City estimates increasing the fire sales tax would generate \$780,000 per year.

Didn't we just pass a fire sales tax?

- Voters approved the initial ¼-cent fire sales tax in 2014. The State legislature authorized increasing the tax another ¼-cent, subject to voter approval, in 2019.

Who votes on the sales tax?

- All registered voters in Hazelwood.
